The South Carolina Business License Tax Standardization Act (Act 176) requires all municipalities levying a local business license tax to standardize their licensing process. Adoption aligns the Town of Atlantic Beach with state law by establishing a uniform May 1 – April 30 license year, accepting the standard state application form, enabling online payment through the SC Local Business License Renewal Center, and classifying businesses by NAICS code. These changes streamline compliance for local businesses and ensure the City's processes are consistent with statewide requirements.
