

# Residential Trash Collection

- Atlantic Beach Trash Collection is Sunday night/ Monday morning. These dates included Mondays that fall on holidays.
- Should there be an interruption to this schedule, Town Hall will notify its residents.
- **All Trash bins are to be placed on the edge of your property by Sunday night.**
- **Trash bins need to be retrieved by that Monday by noon.**
- Only trash bins issued by GCL Industries (previously Waste Industries) are collected.
- Trash bins are to be placed at the edge of your property, but not on the public sidewalks.
- Trash bins are placed so that **the handles** are facing your property (not the street).
- Trash bins are not manually retrieved but are collected by a mechanical arm.
- Only items **IN** the trash cans will be collected.
- There are no curbside pick-ups for debris, yard waste, or household items.

# WASTE INDUSTRIES

welcome to a cleaner world!

www.wasteindustries.com

## CONTAINER PLACEMENT UPDATE

You may have noticed a change in your trash collection! Your neighborhood is now being serviced by an **Automated Side Loader** truck. These trucks run quieter, cleaner, and more efficiently than rear loaders, but they also require some changes to how your container should be placed at the curb.

Waste Industries containers are the only containers that work with an **ASL** and must be placed curbside. Our automated side loader trucks are specifically designed and could potentially cause damage to any personal containers that you purchased through another vendor.

All trash must now be placed inside a Waste Industries provided container for collection. If you require an extra container, we can provide one for a small additional fee.

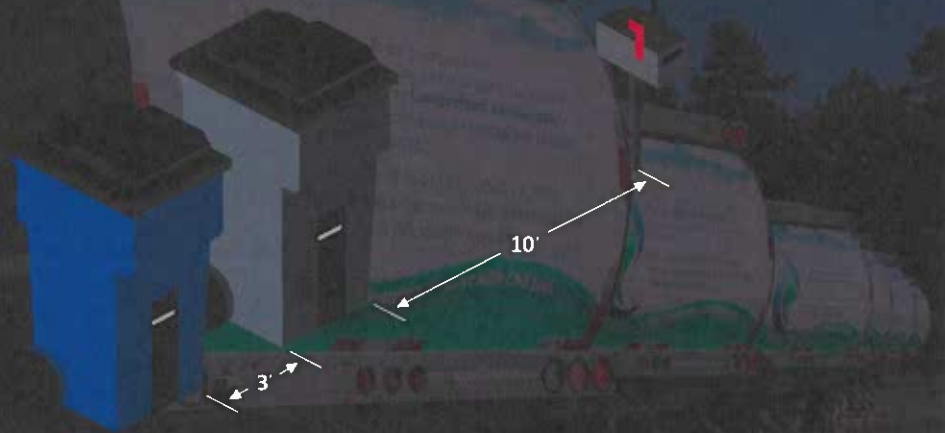

Have questions? Call us!  
**843.397.5586**

## HOW TO BEST PLACE YOUR CONTAINER

Container placement is essential to automated side loading. Please remember we don't want to damage your property, so be sure to keep your container **AT LEAST 10 feet away from:**

- Mail Boxes
- Vehicles
- Street Lights
- Electrical Posts

The container opening must be facing *into* the street with the handles and wheels facing your home! See below for the best placement of your cart:
